Re: *In re Omnicom Group Inc. ERISA Litigation*, No. 1:20-cv-04141  
Electronic Devices and Live Stream of Proceedings

Dear Judge McMahon:

We represent Defendants and write in furtherance of the letters filed yesterday regarding electronic devices and witness sequestration. *See* Dkt. Nos. 237, 238, 239.

The Parties have continued to discuss the availability of a live stream for the benefit of the offsite trial teams and associate training, with Defendants agreeing to sequester both fact and expert witnesses and to prevent them from viewing the live stream at any point during the proceedings. However, Plaintiffs continue to maintain their objection to live streaming, even if utilized as set forth above. Accordingly, we defer to the Court's decision on this issue.

We appreciate the Court's consideration of this matter.

Respectfully submitted,
